

Advocating for people with mental health needs

Visit PROJECT HOPE website at www.projecthopeca.com to obtain information on how to support someone with a developmental disability and a mental health condition.

In this website you will find:

- Videos which guide caregivers through basic steps of observing, documenting and preparing for a visit with a mental health provider.
- Forms to help a caregiver obtain appropriate mental health services for someone they support.
- Resources related to: Advocacy/Education, Rights, and Services

If you are interested in making this website easily available to your clients, you may link your website to the PROJECT HOPE website by using this button or by contacting Nora Perez-Givens at 909-868-7504.

This project and flyer are funded by the Mental Health Services Act (MHSA) in partnership with the California Department of Mental Health and Department of Developmental Services.
