TAKING ACTION

We meet **remotely** to reflect on what we have tried, learned, and discovered and how to bring it back to our teams and organizations.

March 25

10:00 am - 11:30 pm

Why should I attend?

You will meet and connect with other providers, family members, and more. Together, you will build a "community" that supports each other and shares knowledge and resources. Members of the Community of Practice offer peer support and encouragement as they collectively work through challenges.
